TWIN LAKES BEACHFRONT IMPROVEMENT PROJECT

John J. Presleigh, Director of Public Works, County of Santa Cruz, has announced that East Cliff Drive, from 5th Avenue to 7th Avenue, will be open to eastbound only traffic beginning Monday, November 20, 2017, at 8 a.m., weather permitting. Access to the Santa Cruz Harbor from Eaton Street and southbound Lake Avenue remains unchanged. Westbound traffic on East Cliff Drive will be temporarily detoured north on 7th Avenue, west on Eaton Street, and south on Lake Avenue back down to East Cliff Drive. This westbound detour is necessary to allow traffic to safely move through the Twin Lakes Beachfront Improvement Project construction zone on East Cliff Drive between 5th Avenue and 7th Avenue. Two way travel lanes will be restored at such time as both traffic and construction can be safely accommodated and no later than project completion, scheduled for April 27, 2018, weather permitting. All Harbor restaurants, stores, businesses, and facilities are open during construction. Up to date information on County maintained roads in Santa Cruz County is available online at <http://www.sccroadclosure.org/>.
