SANITATION WORK EAST SANTA CRUZ HARBOR SEWER REHABILITATION PROJECT

The Santa Cruz County Sanitation District has announced that traffic on Lake Avenue near Lago Lane and traffic on Eaton Street, between Lago Lane and the Murray Street Bridge, will be subject to traffic delays and lane closures, between the hours of 8:30 am and 5:00 pm, Thursday, September 24, 2020 through Friday, October 2, 2020, weather permitting.

These delays and lane closures are necessary for sanitary sewer improvements. The Santa Cruz County Sanitation District would like the motoring public to avoid the area if possible or be prepared for delays during these times. Questions may be directed to Mark Christensen at (831) 477-3962.
