APPROVED AND FILED  
 THOMAS L. BOLICH  
 DIRECTOR OF PUBLIC WORKS  
 BOARD OF SUPERVISORS

DATE: 5/5/09  
 COUNTY OF SANTA CRUZ  
 SUSAN A. MAURIELLO  
 EX-OFFICIO CLERK OF THE BOARD  
 BY: *Susan Mauriello*

AGENDA: MAY 5, 2009

April 23, 2009

SANTA CRUZ COUNTY BOARD OF SUPERVISORS  
 701 Ocean Street  
 Santa Cruz, California 95060

SUBJECT: APPROVAL OF PLANS, SPECIFICATIONS AND ESTIMATE FOR  
 CONSTRUCTION OF THE BOULDER CREEK FORCE MAIN PROJECT

Members of the Board:

The plans and specifications for the subject project are complete and have been placed on file with the Clerk of the Board for your consideration and approval. There will be no charge for the plan sets.

The project located in Boulder Creek is being proposed to replace a portion of the existing force main in County Service Area (CSA) No. 7, which has experienced numerous spills in the past. The project involves the replacement of approximately 974 feet of polyvinyl chloride force main with ductile iron pipe between pump station 3 and the end of Fern Rock Way. In 2006, this portion of the force main was determined to be the highest priority for replacement based on an analysis that was completed by Larson Consulting of Lafayette, California. In December 2008, the Regional Water Quality Control Board (RWQCB) required the County to provide a technical report and compliance time schedule for replacement of the force main. Submittal of the plans and specifications to your Board today for approval is in conformance with the schedule that was submitted to the RWQCB.

The plans, specifications, and estimate have been completed and are presented here for your consideration and approval. The engineer's estimate is \$290,000 including contingencies and administration costs for the project. Sufficient funds will be available in the proposed 2009/2010 CSA No. 7 construction improvement fund for the completion of the project.

It is therefore recommended that the Board of Supervisors take the following action:

1. Approve the plans, specifications and engineer's estimate and authorize calling for bids for the Boulder Creek Force Main Project.
2. Set the bid opening for 2:15 p.m. on Thursday, June 4, 2009, in the Department of Public Works conference room.

3. Direct the Clerk of the Board to advertise the attached Notice to Contractors for a ten-day period beginning May 9, 2009, in accordance with the provisions of Public Contract Code Section 20392.
4. Direct Public Works to return on June 23, 2009, with a recommendation for award of the contract.

Yours truly,

for - THOMAS L. BOLICH  
Director of Public Works

**COUNTY OF SANTA CRUZ DEPARTMENT OF PUBLIC WORKS  
NOTICE TO CONTRACTORS**

Sealed proposals shall be delivered to the Director of Public Works of Santa Cruz County, Room 410, Governmental Center, 701 Ocean Street, Santa Cruz, California no later than **2:00 p.m., June 4, 2009**, and at **2:15 p.m.** or soon after, they will be publicly opened and read in the Department of Public Works Conference Room, for construction on **the Boulder Creek Force Main** in accordance with the specifications therefor, to which special reference is made, as follows:

**BOULDER CREEK FORCE MAIN PROJECT**

This project involves the construction of a **sanitary sewer force main in Boulder Creek and other associated improvements as shown on the plans.**

Plans, specifications, and proposal forms for bidding this project may be obtained from either the Director of Public Works, Room 410, 701 Ocean Street, Santa Cruz, California, or online by visiting the Santa Cruz County, Public Works home page at [www.dpw.co.santa-cruz.ca.us/](http://www.dpw.co.santa-cruz.ca.us/) under the Advertised Projects link. There is no charge for the plans and specifications. There is no fee for bid documents obtained online. No partial sets will be issued. The successful bidder shall furnish a payment bond and a performance bond. **A mandatory pre-bid conference will be held on May 20, 2009. The County will not accept bids from contractors that have not attended.** The Contractor shall possess a Class A license at the time that this contract is awarded. The Department of Public Works hereby notifies all bidders that it will affirmatively insure that in any contract entered into pursuant to this advertisement, minority business enterprises will be afforded full opportunity to submit bids and will not be discriminated against on the grounds of race, color or national origin in consideration for an award.

Pursuant to Section 1773 of the California Labor Code, the general prevailing rate of wages in the District has been determined by the Director of the Department of Industrial Relations, and such prevailing rate of wages is listed in the State of California, Business and Transportation Agency, Department of Transportation publication entitled General Prevailing Wage Rates, current edition, and may be accessed online at:
