SANTA CRUZ COUNTY BOARD OF SUPERVISORS

Santa Cruz, California 95060

SUBJECT: BOULDER CREEK CSA NO. 7 - PUMP STATION EMERGENCY REPAIR PROJECT
REAL PROPERTY ACQUISITION

Members of the Board:

As part of the above mentioned project, it is necessary for the County to acquire a temporary Right-of-Entry on one vacant parcel for the repair of an existing sanitary sewer pump station for the Boulder Creek CSA No. 7. Funds for this Right-of-Entry required for the subject project are available in the CSA's 2005/06 budget.

The attached Right-of-Entry provides for the acquisition of the required temporary access rights on the subject parcel to complete the project (see attached map). The settlement amount for the property interest acquired is shown in the attached Resolution and is based on a departmental evaluation. This amount is considered fair and reasonable for the real property interest being acquired and represents the fair market value for such property interest.

It is recommended that the Board of Supervisors take the following action:

1. Adopt Resolution approving and accepting the terms and conditions of the Right-of-Entry and authorize the Director of Public Works to sign said document on behalf of the County;
2. Approve payment of claim for the Right-of-Entry.

Yours truly,

THOMAS L. BOLICH
Director of Public Works
