Please be advised that the Department of Resources Recycling and Recovery (CalRecycle), acting as the Solid Waste Enforcement Agency (EA) for the County of Santa Cruz, has received and approved a Report of Facility Information (RFI) Amendment per Title 27, California Code of Regulations (27 CCR), Section 21665(c). This public notice was prepared pursuant to Title 27 CCR 21660.1.

Project Description

Buena Vista Drive Sanitary Landfill is an existing mixed solid waste disposal facility operating under a full Solid Waste Facilities Permit issued on April 19, 2006. The application package to amend the RFI requests the following changes: relocation of the green waste processing area to the top deck of the active landfill; updates to the Odor Impact Minimization Plan (OIMP); and updates to alternative daily cover.

The EA finds that the proposed changes are consistent with all applicable certified and/or adopted California Environmental Quality Act (CEQA) documents, is consistent with State Minimum Standards, and does not conflict with the terms and conditions in the current Solid Waste Facilities Permit.
