Following chip and slurry seal work, the striping schedule, for roads to receive striping, will be announced when available. The schedule is subject to change due to weather or other conditions. Project roadways will be subject to traffic delays with potential lane and road closures between the hours of 8:30 a.m. to 4:30 p.m. The Department of Public Works would like the motoring public to avoid these areas if possible or be prepared for delays. Please visit the project website at <https://santacruzcountyresurfacingproject.info/> for more information.
