## BEAR CREEK ROAD PM 2.12 STORM DAMAGE REPAIR PROJECT UPDATED CONTRACTOR CONTACT INFORMATION

The County of Santa Cruz Department of Public Works announces that work is continuing on Bear Creek Road at Post Mile 2.12 through Friday, July 29, 2022. The contractor contact information has been updated, see above. Traffic will be subject to delay, with a temporary traffic signal in place for the duration of the project. These traffic delays are necessary for construction of a soldier pile wall and other roadway improvements. The Department of Public Works would like the motoring public to avoid this area if possible or be prepared for delays. Up to date information on County maintained roads in Santa Cruz County is available online at <http://www.sccroadclosure.org/>.
