## BEAR CREEK ROAD PM 2.12 STORM DAMAGE REPAIR PROJECT WORK TO BEGIN

The County of Santa Cruz Department of Public Works has announced that work will begin on Bear Creek Road at Post Mile 2.12 on Monday, May 2, and will continue through Friday, July 29, 2022. Traffic will be subject to delays, with a temporary traffic signal in place for the duration of the project. These traffic delays are necessary for construction of a soldier pile wall and other roadway improvements. The Department of Public Works would like the motoring public to avoid this area if possible or be prepared for delays. Up to date information on County maintained roads in Santa Cruz County is available online at <http://www.sccroadclosure.org/>.
