## SANITATION WORK 41ST AVENUE & SOQUEL DRIVE SEWER REHABILITATION PROJECT

The Santa Cruz County Sanitation District has announced that the intersection of 41st Avenue and Soquel Drive will be subject to significant traffic delays with lane closures between the hours of 8:30 am and 4:30 pm, from Wednesday, February 24 through Friday, February 26, 2021; and on Monday, March 1, 2021, weather permitting.

These delays and lane closures are necessary for sanitary sewer repair work within the intersection. The signal at the intersection will be set to flashing red and flaggers will assist in directing traffic. The District would like the motoring public to be prepared for delays during these times. Use of alternate routes are advised. Questions may be directed to Dan Valley at (831) 454-2373.
