BRANCIFORTE DRIVE STORM DAMAGE REPAIR PROJECT PM 0.92 & 2.22

The County of Santa Cruz Department of Public Works has announced that storm damage repairs will commence at post miles 0.92 and 2.22 on Branciforte Drive, which will be subject to lane closures and traffic delays. Work will begin on Monday, June 21, 2021, and is expected to last through the end of September 2021. One lane will be closed at each site, and traffic will be controlled using temporary signals. These lane closures and delays are necessary for the construction of soldier pile retaining walls and roadway improvements. The Department of Public Works would like the motoring public to avoid these areas if possible and to expect delays.

Up-to-date information on County maintained roads in Santa Cruz County is available online at <http://www.sccroadclosure.org/>.
